Events Calendar 2015-2016

Hello Folks,

These are some exciting opportunities for 2015-2016! I would like to extend a warm invitation to you to participate in these programs. There is a lot that can be learned from these events; right from using our talents for God's glory, to appreciating God's creation through nature, to obtaining a sense of community service by helping and caring for those in need. These in turn help in transforming communities, taking leadership and constructing a faith-based networking system. Let us work hand-in-hand to contribute to the community in a way that God told us to.
